

Back 2 Health® Show Chair

Each Back 2 Health Show Chair is hand crafted of carefully selected red oak. Two coats of exterior urethane finish are then applied to each chair, offering protection in a variety of settings. The final result can best be described as "sturdy oak elegance." Not only is the Back 2 Health® Show Chair comfortable to sit in for hours at a time, it is also a beautiful piece of furniture that fits in almost everywhere.

Only **\$315.00** each

Included with each chair is a RETAINING STRAP AND BUCKLE. This keeps the chair together when it is folded. The webbing handle allows for easy portability.

Additional accessory products are being developed and will be available soon.

"I saw what was out there and knew I could make it better."

About Dr. Zelm...

In addition to developing the BACK 2 HEALTH® SHOW CHAIR, Jerry Zelm has been a Doctor of Chiropractic for 33 years, an occupational injury consultant, a writer, and a professional singer.

"My background in spinal biomechanics has often demonstrated how poor posture can lead to many health problems. The BACK 2 HEALTH® SHOW CHAIR meets the needs of those individuals who spend much of their day sitting."

Seat Cushions

Our custom-made seat cushions are filled with medium-firm poly foam and covered with Sunbrella® fabric. They're great for outdoor wear, easily cleaned, and come in four attractive tweeds. Royal blue, charcoal, teal, and linen.

\$38.00
each

Back Cushions

Matching Sunbrella® back cushions fit nicely over the top of the chair. They come in the same colors (royal blue, charcoal, teal, and linen) as the seat cushions, and have zippers on the bottom for ease in cleaning and foam replacement if necessary. The covers add a touch of elegance to the chair and make it even more comfortable.

\$40.00
each

Seat and back cushions are also available in vinyl

Zippered Tote Bag

We've also designed a Sunbrella® zippered tote bag. This tote has Velcro fasteners that attach easily on either arm of the chair. It has an open pocket which is handy for magazines, cell phones, etc. Also available in the same tweed Sunbrella® colors.

\$24.00
each

Workstation

Our attractive, red oak workstation features a handy beverage holder, and is available for right or left handed occupants. It slides easily over the arms of the chair, allowing room for writing while sipping on your favorite beverage.

\$30.00
each

Chair covers

Chair covers (traveling cases) made of durable black hydrotuff fabric with a zippered opening. These covers protect the chair during transporting and help it to slide in easily with your other equipment. The top has a convenient opening for the chair handle.

\$60.00
each
